

# THE AMERICAN HERO

The American Hero always comes through  
To capture our hearts with a spirit so true

Some proudly are soldiers who march in harm's way  
Insuring our freedom, courageous they stay

While others come forth as civilians so brave  
Determined in purpose, so steadfast to save

We should always keep clear a place in our heart  
For each has a value beyond precious art

Their duty to country will not be surpassed  
Please honor their courage, for  
some it's their last

We live in a world which can be  
hard to bear  
Thank God for these people,  
how greatly they care

Do ponder new heroes and what  
they will face  
And pray for their safety no  
matter their place

Our heritage brings out the best,  
we all know  
Our great book of heroes is  
destined to grow.
